

National Training Squad Head Coach Position Description

HEAD COACH

This role is responsible for managing one pool of National Training Squad athletes – Junior, Youth, Seniors, Men or Women.

KEY POSITION OBJECTIVES

The head coach is primarily responsible for working directly with athletes who are in their National Training Squad pool and their personal coaches in preparation for Asian Zone and World Championships.

KEY AREAS OF RESPONSIBILITY

The Coach is responsible for:

- Developing the training and tournament schedule for National Training Squad athletes;
- Assisting the HP Manager in the implementation of Individual Performance Plans for squad athletes;
- In conjunction with the High Performance Committee and HP Manager, assist in the development and planning of training camps for NTS athletes and National Teams;
- Developing strong relationships with athletes and their personal coaches;
- Contributing effectively as part of a team working towards the achievement of outcomes;

KNOWLEDGE, SKILLS & ABILITIES

Essential Requirements

- Silver Coaching accreditation with a minimum of 5 years coaching elite level athletes
- Organised, dynamic, professional coach with excellent oral and written communication skills
- Proven ability to work simultaneously on a wide range of projects, meet deadlines and work within set budgets.
- Manage feedback with interest, enthusiasm and professionalism
- Ability to contribute effectively as part of a team working towards achievement of outcomes

Desirable

- Proven competency with video review technologies

COMPENSATION

Whilst the position of Head Coach is a volunteer position the following assistance will be provided by TBA:

- Travel costs including airfares, accommodation and a per diem for meals for attendance at any international championship will be covered by TBA;
- Travel costs for attendance at training camps conducted throughout the year will be covered by TBA
- Honorarium of \$1,500 per annum to be provided to contribute to administration costs
