

## **PEOPLE WITH AN INTELLECTUAL DISABILITY TEAM EXPRESSION OF INTEREST**

Tenpin Bowling Australia Limited is committed to the inclusion of all Australians. Over recent years, this vision has allowed the inclusion of teams into the Australian Adult Championship.

We are continuing to build on the work that has been achieved at previous year's Australian Adult Championships. This year the championships will be held in Melbourne during October. Our aim is to enter a men's and ladies team into the National Restricted Teams Challenge.

TBA is seeking expressions of interest, from bowlers with an Intellectual Disability, (as classified under the TBA Rules) who are interested in participating in the team. Some key information to consider:

- Participants must have bowled a minimum 24 games in a registered centre before 31<sup>st</sup> of December 2017
- Averages cannot exceed 184 in the Men's Division and 174 in the Ladies Division
- Bowler must have competed at the 2018 National Disability Championships and competed in either the Open Challenge, Cole Cup or Masters Events.
- The event is self-funded – the match fees will be around \$400
- Accommodation and transport will be required for the event in Melbourne
- Bowlers will be expected to follow a schedule of events and instructions made by Tenpin Bowling Australia and the appointed team staff members

Tenpin Bowling Australia is currently advertising for team staff including a coach and manager to lead this group to the Australian Adult Championship.

Please Note: A selection process may occur if more than 4 bowlers nominate in each division. A draft schedule of events is below. **This is to be used as a guide and may change once the team manager and coach has been appointed.**
